The party contesting the validity or enforcement of a registered Order, or seeking to vacate the registration, has the burden of proving one or more of the defenses listed in R.C. § 3115.44.

32.06 Mahoning County Mental Health Court

(A) Establishment

The mission of MHTC is to enhance public safety by preventing recidivism, while assisting participants to take responsibility for their behavioral health issues, using effective, evidence based interventions and treatments in a holistic, accountability-based, and community supported program.

(B) Goals and Objectives

- (1) Reduce recidivism among individuals with severe and persistent behavioral health issues in the Juvenile Justice system.
- (2) Reduce participants' detention/jail bed days.
- (3) Increase the number of MHTC successful completions

(C) Placement in the Mental Health Court Docket

MHTC serves juveniles who reside in Mahoning County and are charged with misdemeanors and felonies who have severe and persistent mental illnesses that are contributing or mitigating factors in their law enforcement and juvenile court involvement and for whom court-monitored treatment and other services would enhance their ability to become productive and law abiding adults. The program criteria are the minimum requirements that a person must meet in order to enter MHTC.

(1) Legal Eligibility:

- (a) Candidates for MHTC must have misdemeanor or felony charges pending in juvenile court. Persons charged with sex crimes, or crimes involving the use of any weapon, are ineligible for MHTC. MHTC is not available if felony charges are pending. If the crime involves a victim, the victim will be given an opportunity to express his/her opinion as to the defendant being accepted into MHTC.
- (b) If a candidate has charges pending in another court or is currently on probation due to a prior conviction, then entry into MHTC must be coordinated among the outstanding cases. A candidate on probation may be offered MHTC in the new case if probation can be consolidated with any other case(s) so that a client is under the supervision of no more than one municipal court at a time. This avoids duplication of resources and the impact of having a client report to two probation departments at once. Also, each

candidate's official juvenile record will be reviewed. Because recidivism is a problem that this program seeks to address, some MHTC clients will have prior convictions, including some felonies. Prior delinquent history will be considered in assessing the candidate's risk to staff and the community.

- (c) Any legal issues regarding competency to stand trial or insanity defenses must be resolved before a Subject Child can enter MHTC. The client must admit commission of the offense and acknowledge having a mental illness that needs treatment.
- (d) A Subject Child that would benefit from court-monitored treatment is included in the program as a condition of their probation. An admission plea will be entered; sentence will be issued and suspended with the Subject Child placed on probation. The written treatment plan becomes the conditions of probation.

(2) Clinical Eligibility:

- (a) The juvenile must have an "Axis One" diagnosis that is consistent with a severe and persistent mental illness. These diagnoses included, but are not limited to, the following diagnostic categories:
 - 1. Schizophrenia or other psychotic disorders;
 - 2. Mood disorders;
 - 3. Obsessive Compulsive Disorder;
 - 4. Post Traumatic Stress Disorder;
 - 5. Dissociative Disorder;
 - 6. Intermittent Explosive Disorder; and
 - 7. Factitious Disorder.
- (b) The juvenile must be stable enough to understand and comply with program requirements; and
- (c) The juvenile must not pose an unacceptable risk to program staff, family, or community.
 - 1. Individuals with "Axis 2" personality disorders

may also be considered for inclusion, if they also have an "Axis I" diagnosis AND it is determined by the clinical screening staff that symptoms of the personality disorder are unlikely to interfere with the individual's ability to participate meaningfully in MHTC.

2. Persons considered for inclusion in MHTC may also have substance abuse or addiction diagnoses in addition to a primary "Axis I" diagnosis.

(d) The following conditions must also be met:

1. The juvenile must be amenable to treatment and acknowledge a willingness to take medication, if prescribed.
2. The supports and services needed by the juvenile must be available.
3. The juvenile and his/her family will participate in the development of a written treatment plan to include all supports and services needed by the juvenile to lead a law abiding life and to recover or manage their illness.

(c) The juvenile must be competent to enter the program, as entrance into MHTC is voluntary. The criteria, both clinical and legal, may be reviewed periodically based upon program experience and available resources.

(d) If it is determined that juveniles charged with certain offenses are routinely being rejected or are not successful in the program, or if available clinical resources become overburdened, offenses may be excluded. If grant or other program funding becomes available but require the exclusion of certain types of crimes as a condition of receiving funds, the criteria may be modified provided the modification does not unreasonably alter the impact of the program.

(3) The MHTC Program Description, Participant Handbook, and Participation Agreement are incorporated by reference herein as if fully rewritten.

(D) Mental Health Case Management

(1) Orientation Phase

The goal of the orientation phase is to instill a thorough understanding of the aspects of MHTC requirements to assure the highest level of function and success within the program.

- (a) Meet with participant to review and complete the participation agreement and Release and Exchange of Confidential information forms;

- (f) Complete and review the participant's individualized treatment plan.

(2) *Compliance Phase (Phase I — Initial)*

This phase stabilizes the participant and assures participant compliance with MHTC requirements. During this phase, the participant has the most contact with the court by attending scheduled status review hearings. This is also the most intense phase for the participant's case manager and/or probation officer.

Tasks to be considered for the compliance phase include the following:

- (a) Ensure court obligations are met; such as developing payment schedules for court and victim restitution;
- (b) Determine frequency of random alcohol and drug testing at a minimum of two times per week; and
- (c) Complete other assessments and inventories determined necessary by the treatment team;

- (d) Participant must attend required status review hearings at a minimum of twice monthly (or weekly if determined to be high-need high-risk);
- (e) Participant must attend treatment sessions and activities;
- (f) Participant must attend meetings with case manager and probation officer;
- (g) Participant must submit to alcohol and drug testing at a frequency determined by the treatment team;
- (h) Participant must cooperate with random home visits by case manager and others;

This period, the participant will begin to develop skills, improve family relationships, and set employment, vocational, or educational goals.

Tasks to be considered for the program engagement phase include the following:

- (a) Ensure probation requirements are met;
- (b) Continue random alcohol and drug testing at a frequency determined by the treatment team, at a minimum of two times per week;
- (c) Identify long term goals;
- (d) Begin to develop plans for employment or educational opportunities;
- (e) Continue linking the participant with supportive services, and make referrals for other ancillary services not yet addressed.

(4) Growth and Development Phase

This phase is focused on developing self-sufficiency. The participant will begin to utilize skills learned in treatment and programming, continue to improve family relationships, and begin to learn to manage his/her illness.

Participant requirements for the growth and development phase include:

- (a) Attend required status review hearings at least every three weeks;
- (b) Attend treatment sessions and activities;
- (c) Attend meetings with case manager and probation officer;
- (d) Submit to alcohol and drug testing at a frequency determined by the treatment team;
- (e) Cooperate with random home visits by case manager and others;
- (f) Engage in a sober support community, if dual diagnosis;
- (e) Abide by rules of MHTC, probation, and the laws; and commit no new criminal offenses.

(5) Maintenance Phase

This phase is focused on the juvenile maintaining the stability obtained in the earlier phases. By the time the juvenile graduates to this phase, he/she has successfully and faithfully adhered to treatment or programming requirements, and may have also integrated structure into his/her life by avoiding additional involvement with the criminal justice system.

- (a) The amount of court involvement and case management will lessen as the participant demonstrates ongoing stability using the tools acquired in the earlier phases. Appearances at MHTC status review hearings may be reduced even further but in no event less than once a month. The treatment team will act in a support role, monitoring the participant's maintenance. With any regression,

the treatment team will act swiftly to put participant back on track. The length of this phase varies, depending on the participant's needs.

(C) Placement in the Treatment Court Docket

Despite anything stated herein, the judge/magistrate shall have discretion to decide the admission into JTC in accordance with the written criteria. Admission shall be the sole discretion of the judge/magistrate presiding over JTC.

(1) Target Population/ Legal Eligibility

The Mahoning County Juvenile Treatment Court is a diversionary program that targets juveniles who live in Mahoning County and have non-violent charges linked to a chemical dependency issue.  - (4) The Treatment Court's Program Description, Participant Handbook, and Participation Agreement are incorporated by reference herein as if fully rewritten.

(D) Treatment Case Management (Case Flow)

Complaint against the youth is filed with the Mahoning County Juvenile Court. During the Arraignment Hearing, the youth is arraigned, a plea of denial is entered and an attorney is appointed. At Pre-Trial Hearing, the youth is referred to Treatment Court for assessment. Charges will be reviewed by Treatment Court Team if nonviolent, T.A.S.C. assessment is ordered, or if violent or trafficking youth is found not appropriate.

(1) Clinical Assessment

T.A.S.C assessment is complete:

- (a) If youth is in need of intensive outpatient services for chemical use or has co-occurring disorders and is in need of educational chemical dependency services and mental health treatment the case is staffed by the Mahoning County Juvenile Treatment Court Treatment Team.
 - (b) Family and youth are interviewed to explain the program and assess their willingness to participate.
 - (c) If the case is appropriate and the participant and caregiver(s) agree, the Court *may* order participation in the Treatment Court Program.

A mental health assessment will also be given to address any dual-diagnosis needs.
 - (c) Families must actively participate in all aspects of treatment. Failure of a juvenile or his family to adequately meet the minimum requirements of the program may result in a sanction or increased level of treatment from the Judge or Magistrate.
 - (d) Participants are placed in appropriate treatment services, programs, and under reporting supervision as soon as possible to monitor compliance with court requirements.

- (e) Individuals providing the screening and assessments for treatment determinations possess the appropriate licenses and credentials.
 - (f) The Treatment Team should consider, but is not required, to follow clinical assessments or treatment recommendations.
 - (g) The participant's progress through the phases is not based solely on preset timelines.
 - (h) Case plans and services are appropriate and clinically necessary to the degree that reasonable resources allow.
 - (i) Hearings are before the same Specialized Docket Judge for the length of each participant's time in the Docket.
 - (j) A treatment plan and record of activities is maintained by the Treatment Court Coordinator.
 - (k) Due to current numbers, it is not possible to maintain separate tracks for the Specialized Docket participants and the Treatment Court Program participants. As numbers grow for Specialized Docket participants, separate tracks will be considered.
 - (l) Adjustment in treatment services are based upon only the clinically informed interests of the participant.
- (4) Other Case Management Factors
- (a) The time between Status Review Hearings is increased or decrease based upon compliance with treatment protocols and progress observed. The Juvenile Treatment Court is approximately 40 weeks in duration. It consists of four phases, each containing specific goals and tasks that youth are expected to achieve. Completion of and progression through the phases depends on the youth.
 - (b) The choices the youth make, behaviors and the effort put into treatment and recovery will determine if youth moves to the next phase in the expected timeframe. Noncompliance to Treatment and Court Orders may

extend the amount of time youth spends in any particular phase. The treatment team monitors progress and all phase advancements. Upon completion of the requirements for a particular phase, the team will review and consider youth for advancement. Once the team decides the youth is eligible to advance, the youth and their family will be invited to meet with the team to discuss progress.

JUVENILE DIVISION
HON. THERESA DELLICK

LOCAL PARENTING AND COMPANIONSHIP/VISITATION TIME SCHEDULE
ORC § 3109.051 (F)(2)

IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT IF PARENTS ARE UNABLE TO AGREE ON THE ISSUES ADDRESSED BELOW, THIS SCHEDULE IS TO BE IN EFFECT IN CASES WHERE THE TRAVEL TIME DOES NOT EXCEED TWO (2) HOURS:

1. BASIC SCHEDULE AND CONCERNS:

A. Weekend and midweek schedule/Children's activities:

Children are entitled to share time with their non-residential parent on alternating weekends, from 6:00 P.M. Friday through 6:00 P.M. Sunday commencing _____ and each week on _____ evenings from ____ P.M. to ____ P.M. (Wednesdays from 5:00 P.M. to 8:00 P.M. unless parents agree otherwise) commencing _____. This weekend and midweek schedule shall remain in effect throughout the year with the exception of summer companionship. During midweek companionship, the non-residential parent will be responsible for dinner, attending to school work, and transportation to scheduled activities. In order that activities do not interfere with companionship, parents shall consult with each other before making schedules and appointments.

B. Sharing responsibility for transportation:

Each parent is responsible for transportation to his or her home. When they are unable to transport children themselves, parents shall notify each other that a responsible person known to both of them (spouse, other family member) will be entrusted to pick up or return the children.

C. Waiting period/Varying the schedule:

The "waiting period" to pick up and drop off children should not exceed thirty (30) minutes. Parents shall notify each other as far as possible in advance when they will not be on time. In cases when employment makes it difficult to keep to this schedule on a regular basis, it is anticipated that the parents shall adjust the schedule accordingly.

D. Helping your children adjust:

The residential parent shall have the children prepared physically and emotionally for the arrival of the non-residential parent. It is the responsibility of both parents to encourage their children to enjoy the time with both parents and to love and respect mother and father.

E. Sharing your time with your children:

Parents shall give their children appropriate attention and care while the children are with them, and avoid recurring situations (other than work) when children are left with someone else for extended periods.

F. Religious practices to remain consistent:

Any changes in the children's religious practices shall be made only upon agreement of parents and with approval of the Court.

G. Contact via telephone and mail:

Contact via telephone, mail and e-mail shall be encouraged by both parents. Parents shall promptly update each other as to any changes in telephone numbers unless otherwise ordered by the Court. If parents cannot agree, two telephone calls per week, no later than 9:00 P.M., no longer than thirty (30) minutes, shall be scheduled, with the non-residential parent setting the time and day.

H. Traveling outside the State of Ohio:

Parents shall be permitted to travel with their children to locations outside the State of Ohio without notice to the other parent or the Court for periods not to exceed forty-eight (48) hours. For travel periods that exceed forty-eight (48) hours, the traveling parent shall notify the other parent of such travel plans in writing at least seven (7) days prior to the trip. Said notice shall, at a minimum, include the scheduled departure and return dates, travel arrangements and a telephone number where the child(ren) can be reached in an emergency.

I. Moving within or outside the State of Ohio:

In the event that the residential parent decides to relocate within or outside the state of Ohio, said parent shall, at least sixty (60) days prior to the planned move, give written notice to the court of the intention to relocate by filing a notice of intent to relocate form issued by the Court. A time-stamped copy of the notice shall be furnished to the court's assignment commissioner at the time of filing. Upon the filing of said notice, the Court shall mail a copy of the notice to the non-residential parent unless the

residential parent objects to said mailing for reasons of alleged domestic violence or abuse or neglect of a child. The Court will not normally schedule a hearing on the notice unless the non-residential parent requests the same in writing. The purpose of any such scheduled hearing shall be to determine whether it is in the best interests of the child(ren) to revise the visitation schedule. If after sixty (60) days, no objection has been raised by the non-residential parent, the court may issue an entry modifying the visitation as requested by the residential parent in the notice of intent to relocate. (Notice of Intent to Relocate forms are available from the Court.)

J. Modification:

Modification of this order is possible upon demonstration of the need for such change and is subject to approval of the Court. The Court encourages the parties to contact the Court's Mediation Department for disputes over the application or interpretation of this Order.

K. Records:

Pursuant to R.C. §3109.051(H), (I), and (J), and unless otherwise ordered by this Court, the nonresidential parent shall be entitled to access to any records involving the child(ren) including but not limited to school, medical and day care records on the same terms as the residential parent.

2. HOLIDAYS/SPECIAL DAYS/SUMMER VACATIONS

A. Holidays/Special Days/Summer Vacation schedules:

The following Holidays/Special Days/Summer Vacation schedules take precedence over the Mid-Week and weekend schedules and shall apply unless parents agree otherwise. When necessary, appropriate alternatives for other cultures or traditions (e.g., Orthodox) may be substituted. Unless otherwise specified, all ONE DAY holiday/special day times are 9:00 A.M. - 6:00 P.M. The Spring and Winter Vacations shall begin at 6:00 P.M. on the last day of classes and end at 6:00 P.M. the evening before classes resume. For travel that will exceed forty-eight (48) hours, the traveling parent shall notify the other parent of such travel plans in writing at least seven days prior to the trip. Said notice shall, at a minimum, include the scheduled departure and return dates, travel arrangements and a telephone number where the child(ren) can be reached in case of an emergency.

(F) Moving WITHIN OR OUTSIDE the State of Ohio:

In the event that the residential parent decides to relocate within or outside the State of Ohio, said parent shall, at least sixty (60) days prior to the planned move, give written notice to the court of the intention to relocate by filing a notice of intent to relocate form issued by the court. A time-stamped copy of the notice shall be furnished to the court's assignment commissioner at the time of filing. Upon the filing of said notice, the court shall mail a copy of the notice to the non-residential parent unless the residential parent objects to said mailing for reasons of alleged domestic violence or abuse or neglect of a child. The court will not normally schedule a hearing on the notice unless the non-residential parent requests the same in writing. The purpose of any such scheduled hearing shall be to determine whether it is in the best interests of the child(ren) to revise the visitation schedule. If after sixty (60) days, no objection has been raised by the non-residential parent, the court may issue an entry modifying the visitation as requested by the residential parent.
